## 9 Skeem Candles

Inspired by locales such as India, Costa Rica, and New Zealand, these beautifully decorated soy candles come in several unique scents like Fresh Lemongrass or Green Tomato Vine. And when the candle wax is used up, you can re-use the jars as storage jars or even drinking glasses. [www.skeemdesign.com](http://www.skeemdesign.com)

## 10 Mistral Soaps

Handcrafted in Provence, France, this collection of exquisitely scented bath, body and home products takes its name from this legendary wind whose fragrant course is shaped by the mountains, rivers and plants of the region. In addition to thirty soap fragrances, there's also a full range of Mistral-scented personal care products. [www.mistralsoap.com](http://www.mistralsoap.com)

## 11 Uppercase Living

Using vinyl words and images, you can decorate your space to be as unique as you. Whether you identify with a deeply motivational thought, a beautiful embellishment, a bold image, or a combination, their products will allow you to transform your living area. Contact Heidi Bundy at [sales@heidibundy.com](mailto:sales@heidibundy.com) or visit [www.uppercaseliving.com](http://www.uppercaseliving.com).

## 12 Ladybugs & Lullabies

The first company to offer the original no slip snap clip for hair, these adorable hairpieces are fashionable for any little trendsetter. The collection ranges from girly hair clips and bows to edgy cuffs and belts for children of all ages. Hip accessories for cool kids, these pieces are available at [www.ladybugsandlullabies.ca](http://www.ladybugsandlullabies.ca).

## 13 Boddler Bites

This flash card cookbook is perfect for quick and super healthy meal ideas for children, parents, and entire families. Parents are given simple meal and snack ideas, while on the flip-side, Boddlers (older babies + younger toddlers) can learn their ABC's and identify wholesome foods they will be eager to eat. [www.boddlerbites.com](http://www.boddlerbites.com)

## 14 Build Healthy Kids

Kids can build their own monster while they learn how to pack a healthy lunch. With separate containers for fruit, veggies, and an entrée, your child can learn good eating habits and still have fun! The lunch kit comes with the outer lunch bag, a fork, spoon, a three-container monster insert and an ice pack. [www.buildhealthykids.com](http://www.buildhealthykids.com)
